

## Word Games for Families

### Instructions

1. Print the following pages
2. Use scissors to cut out the alphabet cards on pages 2 and 3
3. Use scissors to cut out the word combination cards on page 4. Cut along the center line on page 4 to separate the blue cards from the white cards.
4. Use scissors to cut out the 10 flashcards on page 5.
5. Play!

### Suggestions for Card Games

- Use the alphabet letters and the completed word cards to as flashcards or sight words.
- Discover different combinations for the cards on page 4. For example: combine “**t**” with “**op**” to create “**top**.” Replace the “**t**” with the “**p**,” and the word now becomes “**pop**!”
- Ask your child to review the cards on page 5, and match the first letter of each word with the correct letter from your stack of alphabet cards.
- **Have fun!** Create your own word games together. These cards are a fun way to play matching, rhyming, and reading games.
